

LEGAL VIDEO SEMINAR

PRESENTED BY BEN JONES, CCVS

**CLE Credit Approved
by the State Bar of Georgia!**

AngelDown Legal Video presents an interactive, media-based, crash course in legal video, performed by a Certified Court Video Specialist.

Course Content

- The Benefits of Using Video at a Deposition
- The Basics of What Should be Expected from your Videographer
- Short History of Legal Video
- Explanation and Demonstration of Digital Video Transcripts
- Appropriate Pricing for Legal Video Services
- Overview of Day-in-the-Life Videos, Settlement Documentaries, and much more!

Thoroughly informative, yet entertaining, the course uses sample video depositions, transcripts, and other media to demonstrate the many uses of video in the legal field. Not only will you receive mandatory CLE credit, the knowledge you gain may play a pivotal role in your ability to win cases and provide 'justice for all.'
